Water Refill Station Grant Program

CTD/003166

Lower Murray Water welcomes applications from educational facilities for a co-contribution, to the value of \$1,500, towards the purchase of an outdoor Water Refill Station to be located at your premises. Applications for the program may be submitted at any time throughout the year and will be assessed against the program criteria and budgetary constraints.

COMPULSORY PROGRAM CRITERIA

We are situated in Lower Murray Water's Service area

We have not previously applied for this program within this financial year

APPLICANTS DETAILS

Name:

Location address:

Request Form - Education

Water Refill Station Grant Program

CTD/003166

AUTHORISATION

In signing below, I (name)

confirm

I am authorised by the school to make this request

The information above is true and accurate to the best of my ability

We have met the program criteria

We understand which water refill station type is to be supplied under this program, and have read the supplier installation and maintenance information (as supplied with this form)

I further confirm we understand and agree:

Lower Murray Water's contribution for the unit will be \$1,500 (including GST) and an invoice will be issued.

Lower Murray Water will order the unit when our contribution (any remaining funds) has been received as cleared funds

The unit will be installed by a qualified plumber, at our cost

The unit will be connected to a potable water source

We will be responsible for the on-going care and maintenance of the unit

A formal agreement will be provided if our application is successful
