The break up of tariffs and charges are as follows:

1st Account	100% Service Charge
Mailing Date – late July 2020	100% Goulburn Murray Water Entitlement Storage Fee
Due Date - end August 2020*	100% Goulburn Murray Water Above Entitlement Storage Fee
	100% Department of Environment, Land, Water and Planning Water Share Fee
2nd Account	If applicable, there will be a second account issued for the Goulburn Murray Water Above Entitlement Storage Fee.

Payment

Please refer to your account for payment options.

Accounts can be delivered electronically via BPAY View. Log into your online banking and look for the BPAY View or View Bills section to register each account. Your next account will be automatically sent to your online banking account.

*Due Dates for Payment

All Rural tariffs and charges must be paid by the date specified in the account provided and failing any date being specified in that account, 28 clear days from the date of issue of the account.

The date on all accounts represents the final date that the payment will be accepted interest free.

Interest shall be payable in respect to all amounts payable under a tariff or charge if the amount is not paid by the due date. From 1 July 2020 the interest rate has been set by the Essential Services Commission and the determined rate will apply for the entire financial year.

Definitions

Service Charge: is a fixed charge per Assessment to contribute to administration costs.

GMW Entitlement Storage Fee: is a pass through fee from the Northern Victorian Resource Manager based on your total Water Share volume, covering the costs of maintaining and operating headwork's and river regulation.

GMW Above Entitlement Storage Fee: is a pass through fee from the Northern Victorian Resource Manager.

DELWP Water Share Fee: is a pass through fee from the Victorian Water Register, one fee per Water Share.
