 PO Box 1438
 Mildura VIC 3502

Dear Sir/Madam,

I wish to apply for a Fire Service tapping at:

.....

.....

The tapping size required is:

.....

Property Owners Name/Address:

.....

.....

Please find enclosed copy of site plan drawn at a scale of 1:500 showing the position that I would like the tapping to be, dimensions shown are approximate and are from a known or defined boundary.

It is my understanding that the Lower Murray Water is not responsible for nominating the service tapping size. I also understand that Lower Murray Water recommends that the property owner engage a competent hydraulic services designer/engineer to design the fire service to meet the relevant corporation's requirements.

Yours faithfully,
