### Periods for which the tariffs are set

#### Fixed service availability charges - billing period:

Fixed service availability charges apply for water supply and sewerage services, as detailed in this Notice. These are set for an annual period (1 July 2025 to 30 June 2026) and are billed and payable on a three-monthly basis as follows:

- 1 July 2025 to 30 September 2025
- 1 October 2025 to 31 December 2025
- 1 January 2026 to 31 March 2026
- 1 April 2026 to 30 June 2026

#### Water consumption charges - billing period

The charges for Water Supply are based on the amount used. These apply for the period from, the last meter reading prior to 1 July 2025 until the next meter reading before 1 July 2026.

### Calculation and payment

For Residential and Non Residential, these are calculated & payable:

- based on meter readings conducted over the year;
- with each quarterly account for the periods ending 30 September; 31 December; 31 March and 30 June.

### The method for calculating tariffs

#### Fixed service availability charges

Tariffs in relation to the Fixed Service Availability Charges are set out in the table to the right and relate to each of the three monthly charge periods.

#### Water
