| Commercial Use | Select One  | Business Type |

## Tapping Details

Please provide a copy of site plan drawn at a scale of 1:500 showing the position the tapping will be.

Fire Service Tapping Size

## Acknowledgement

It is my understanding that the Lower Murray Water is not responsible for nominating the service tapping size. I also understand that Lower Murray Water recommends that the property owner engage a competent hydraulic services designer/engineer to design the fire service to meet the relevant corporation's requirements.
